THE COOKE FAMILY HISTORY

The J.P. Cooke Tag Company is a family owned and operated business established in 1887 by brothers John and James Cooke. In 1931, James' son, John Lawrence Cooke, joined the family business with his father and uncle. Then, in the mid 1960's, Warren and John Cooke joined their father, John Lawrence, in the business. Working closely with their father, Warren and John continued to develop close ties with the veterinary profession.

From his father and uncle, John Lawrence Cooke gained a philosophy of service, quality and value in manufacturing tags. We are now joined by Jim, David and Julie Cooke to continue the tradition. Now in the fourth generation, after 135 years, we are continuing that philosophy stronger than ever. We have proudly built on the values of our founders, and our mission is to be **your source for premier quality tags.**

We use the finest materials available for tags. Our lettering is stamped straight and deep. Tags are supplied in a bright, beautiful finish that you can be proud to supply to your customers. **Quality tags compliment your services and image! After all, your name is on the tag.**

Your satisfaction is our success. At J.P. Cooke Co., top quality, reliable service and value is a family tradition and our obligation! It is our pledge to you, and we look forward to a long-term partnership!

If you have any questions, please feel free to call.

Sincerely,

Warren Cooke
